HOUSE FOR SALE.

HOUSE FOR SALE.

There is no place like a home you can call your own, and the above saying applies to this property especially. Here is one of the most beautiful places on the French estate which has just been put on the market. Situated on Franklin street, one of the best residential streets in the city, not a tenement house on it, least of neighbors, and a property that can be sold at any time by buyer. On this property you can realize your cash for it, with a handsome profit on what it can be bought for, as it must be sold this month. This house is situated on a large lot (no clay), plenty of shrubbery, apple and cherry trees, carrant busines, grape vines, etc., is full two stories with spacious attic, the best of cellurs, heavy wall, large, broad pisaza, 12 ft. wide, front hall 12 x lt ft. rotted parlor, dining-room, kitchen, pantry and woodshed. Four large, airy sleeping rooms with closets and large hall-room up stairs. Every door in house bravy birch reneer, hard wood floors in every room. All hard wood fluish dene in the most artistic styls known to modern architecture. This house is not built after the old style of a dry goods box, but the very latest design, something that is artistic and attractive. If you buy this house you can rent rooms for 816 per month and then have enough for your own farmily. Now do not rin away with the idea that it will cost too much, for you can buy it as cheap as you could a less expensive house, as the owner is hound to self now. If you have a cheaper cottage or tenement and you think it is not quite good enough for you, or a small farm or imber lot, I would take either in exchange and give plenty of time for bulance. I would be pleased to show you through his house at any time. King your wife along and look it over. Hemember this is a new house, built last fail. For further particulars call at 77 Franklin street, or telephone 413-4.
